Pultneyville Yacht Club

We had a good time at the Fall Banquet. Thank you **Jerri Schiff and Anneliese Bopp** you did a great job that was a nice place and the food was delicious. Hope everyone had an enjoyable Thanksgiving Holiday. The weather on Tuesday was a nice treat I saw 72 in my travels that day. Hard to believe another month has past.

Even though we have our boats put away for the season, there is still a lot of activity going on in the Hamlet of Pultneyville. The Pultneyville Deli and Pultneyville Landing and the Artisan Loft are all still open. Sunday December 7th is the 5th Annual Pultneyville Illumination starting at 330pm with a Holiday Concert at Gates Hall then immediately following the concert is the ringing of the church bells and the Illumination of the Gates Hall tree at

430pm. Traditional festivities – caroling, family photos with Santa, complimentary hot dogs and chili, Christmas cookies and beverages will take place at the Pultneyville Reformed Church Pavilion around a fire starting at 430pm.

December 13th is our General membership meeting @1pm @the Pultneyville Fire hall please bring your favorite appetizer to share. December 13th @6pm Pamela Bray has invited anyone interested in joining them in the celebration of Derek's US Citizenship. Congratulations Derek. Bray's address is 2567 Hance Road Macedon New York 14502. Have a wonderful winter season and a Happy Holidays. To help pass the winter months I have included in the newsletter the invite for Movie Night from Newport Yacht club. Stay warm.

From the Pilothouse

It has been my pleasure and my priviledge to serve as your Rear Commodore the past year. Together, we have completed many projects and I'm pleased to say that the Club facilities and harbor are in better shape than when we started in January

The Fall Banquet was a lot of fun and the restaurant offered great food and a nice setting to meet. I was pleased to present the Rear Commodore's Service Award to three very deserving menbers: **Steve Sangster**, **Dave Weagley and Russ Palum**. Steve has taken on so many projects around the Club, including

upgrading the harbor lighting, repairing the broken waterline to the Clubhouse and, most recently, upgrading the dock-side utilities on the North Shore. Steve's knowledge, experience and willingness to help with electrical, mechanical, plumbing and excavation projects has been invaluable to the Club. Dave and Russ undertook a project to design a dock that would span 30 feet using a single piling at the end of the dock, instead of two pilings. The design looked promising but, presented some challenges as they built the prototype. Unfortunately, the challenges could not be overcome but, I wanted to recognize the time and effort both men invested in the project. I appreciated their willingness to experiment with a new dock design.

The committee chairs under the Rear Commodore's flag have also invested many hours of effort to keep our facilities and harbor safe and operational. Please join me in thanking each committee chairperson for their hard work and for volunteering so much of their time to the Club:

I would also like to recognize **Mike Schiff**, **Mike McDonald**, **Dave Muth and Steve Heffron** for the many hours they donated to help with various projects throughout the year. It's great to know that one or more of these guys can always be counted on to lend a hand no matter what the job or project. Thank you.

Tom Jayne will become Rear Commodore on January 1 and I'm confident that Tom will do a great job. Please make every effort to support Tom and his team as they develop their list of priorities and projects for 2015.

Mark your calendars for next year's launch and haul dates. Launch will occur on Saturday April 25, 2015. Early haul is scheduled for Saturday September 19, 2015 and late haul is scheduled for Saturday October 17, 2015.

PUCER Not Awarded for 2014

Race marks and Channel Buoy's have all been removed, cleaned and stored for the winter. This was accomplished by two crews. Thanks to all that supported this work.

Earl Chapman, Jon Flowerday, Tom Jayne, Tom Watters, Chris Hubbell, Jim Deatsch, Bob Gramlich, Bob Hibbert, Doug Axtell, Sean Gillen, Andre Muth, Eric Matteson, Don Bosel, Ira Goldman, Derek Bray Larry Rice, and Scott Nichols. If I missed anyone I'm sorry and thanks for your help.

The second day we also finished up with the floating dock removal as part of the crew was out getting buoys. Great Team Work and the Rear Commodore is very happy!!!

Saturday Film Night Series 2015

January 17th - Spanish Passion by the Bay

(music, dance and a story to heat up January)

Film - Carlos Saura's "Carmen"

Come to join us in Spain! You'll gain an appreciation for what flamenco is about.

This is a film that has opera, flamenco singing, guitar, dance and even ballet all wrapped up in a story of passion and drama. There'll also be Spanish food to help warm up to an exciting film.

February 28th - NYC's Film Academy Awards

A great night as we host the first ever NYC's Film Academy Awards. The club will send in their favorite films, vote on them and after a few weeks we'll announce the nominees. On the night we'll have our own version of an "elegant" award ceremony where we'll announce and then watch the winner. (Theme: silly elegance) You know this will be fun! (not wearing jeans optional)

March 21st - NYC's Annual Classic Suspense Film Festival

Last year's film - Hitchcock's "The Man Who Knew Too Much" This year's film - An Agatha Christie story in Billy Wilder's

"Witness for the Prosecution"
Start with a real taste treat - a bit of
"good" English cooking. A short and
fun courtroom trial of our own that will
get us into the mood and then a
wonderful film with twists and turns in
a great English courtroom drama.
